## Painting the Head From Life

July 8-10, 2021

Painting from a live model is an effective way to improve skill in painting any subject matter. You will receive instruction in drawing, design, color, value and edges. You will paint the model from four different viewpoints during class. Instruction will be in the form of lectures, demos and individual instruction at the easel. A color booklet of notes and six weeks of on-line instruction is included. Class size is limited to ten.

### WHERE

On Track Studios, Franklin, TN

### WHAT TIME

Studio opens at 8:30 AM. Class meets from 9-4. There is plenty of parking on site. If you come in the back door there are no steps.

### DIRECTIONS

1978 Wilson Pike, Franklin, TN 37067  
(Your GPS will get you here, but not in a good way.)  
From Brentwood or Nashville take I-65 South. Exit at East Cool Springs Blvd. Drive straight through two round-a-bouts. Stay on Cool Springs Blvd which becomes Oxford Glen. Continue on Oxford Glen until you reach the stoplight at Clovercroft. Turn left. Clovercroft dead ends into Wilson Pike at On Track Studios.

### LUNCH

A refrigerator and microwave available if you bring your lunch. A catered lunch option is available for a reasonable price each day. Water and Coffee are available.

### EQUIPMENT AVAILABLE

Easels and tray tables are on site for you to use. You can also bring your own portable easel. Battery powered easel lights are charged up and ready to use.

### FLYING IN?

You will fly into Nashville, BNA. We are glad to help you with supplies and equipment difficult to fly with. Just let us know what you need.

### LODGING
